

## **Sproutling**

By Susie Chen – Potomac, Maryland

Wee little seed.  
Tiny  
miracle.  
Tucked in a blanket of water.  
A head has formed,  
reaching for the sky.  
Only wanting to thrive.  
Give it  
Nourishment,  
Warmth,  
Love,  
and Hope  
it grows up  
Healthy,  
Strong,  
Resilient,  
Happy.  
Watching, caring, waiting, nurturing  
for its simple  
Blossom.
